

## INTERESTED IN PLAYING WORLD OF WARCRAFT WHILE YOU FULFILL YOUR WRIT 1133 REQUIREMENT?

### *ABOUT THE COURSE*

This Spring, 2008, DU is offering two special sections of WRIT 1133 devoted to the MMORPG *World of Warcraft*. These are regular WRIT 1133 sections that teach rhetorical strategies needed for successful research-based writing in diverse academic and nonacademic situations. The difference in this course is that we will be using *World of Warcraft* as our text. This will be an academically rigorous writing course that will involve learning through play, analysis, and research of the game.

### *HOW DO I SIGN UP?*

You can sign up as you would regularly. There are two sections offered:  
WRIT 1133 (CRN 2899) at 10AM (Richard Colby)  
WRIT 1133 (CRN 2931) at 2PM (Rebekah Shultz Colby)

### *WHAT ELSE DO I NEED?*

You don't have to be a subscriber currently to the game to sign up for the course. However, you will be expected to purchase the game and a subscription to the game as part of the many writing assignments that you will be required to do. You should have access to a computer that meets the following system requirements:

#### PC System Requirements

Windows XP (Service Pack 2), Windows Vista  
Intel Pentium3 800MHz or AMD Athlon 800MHz  
512 MB RAM  
3D graphics processor with HTL, 32MB VRAM  
DirectX-compatible sound card

#### Mac System Requirements

Mac OS X 10.3.9 or newer  
933MHz G4/G5  
512MB RAM  
NVIDIA or ATI graphics processor, 32MB VRAM
