Meet the Staff

Conference and Residential Services

Associate Director, Administrative Operations & Conferences

The Associate Director oversees the summer conferences operation, supervises the staff and coordinates communication with our campus partners. She also is responsible for supporting and administrating summer conferences for internal and external clients as well and supporting ongoing projects throughout the academic year. She is always happy to meet with current summer guests or anyone who wants to discuss summer conference opportunities in the future.

Kierstin Stickney 575-646-5664 kierstin@nmsu.edu

Resident Directors

RDs are full-time professional staff members that live and work in the residence halls. Each RD oversees the operation of his or her respective residential communities. They serve on-call to respond to any emergencies on campus. Any questions about the building itself can be directed towards this staff member.

Conference Managers (CMs)

CMs are experienced staff members that work directly with our visiting conferences. CMs serve as RDs during the academic year and take on extra responsibilities as conference managers during the summer months; making sure all group needs are met and supervising the CH staff. These staff members possess a vast amount of knowledge about New Mexico State University and the Las Cruces area.

Conference Hosts (CHs)

CHs are upperclassmen student staff that work the resident hall front desk areas and are a great resource for information. They can handle anything from checking in visitors to giving directions. If you have a question about something, visiting your CH is a great place to start.

Meet the Buildings

Conference Staff

For your convenience, NMSU Conference Staff are available daily at the Conference Office in the Garcia lobby, between 12:00 p.m. and 8:00 p.m. Additionally, our Conference Host (CH) staff are on-call 24 hours per day. Conference Hosts have been trained to deal with a variety of situations. If you need assistance after hours, call (575) 646-1701. All Conference Hosts live in campus housing and their doors can be identified by their door decorations. Please feel free to ask our staff for assistance or information.

Conference Desk & Check In

The Conference Desk is staffed 7 days a week from 12:00 p.m. to 8:00 p.m. Check-in will occur at the Conference Desk, located in Garcia Hall. Please be ready to present a picture ID upon check-in. Your keys will be issued to you, along with any other pertinent conference information. When the desk is closed, a staff member may be contacted by calling (575) 646-1701.

The Halls

Please keep in mind we are a university residence hall and are unable to provide hotel-style services such as wake-up calls, luggage transport or room service. We do promise to provide guests with a clean and well-maintained facility. Our staff is more than willing to provide directions, information and suggestions for sampling the many wonderful experiences in and around the Las Cruces community.

Elevators

Elevators exist in some residence halls for the convenience of participants and their guests. Elevators must be used properly. Misuse may result in temporary loss of service and/or a service charge for repairs resulting from that misuse. Please notify a Conference Host staff member immediately if an elevator failure occurs.

Rooms

Each person in your room is provided with a single bed, desk, chair, and closet space. Please do not remove furniture from the room or bring lounge furniture into the rooms. Occupants will be charged for the cost of returning furnishings to appropriate locations, the cost of replacing/repairing missing furnishings, damage to the room or the need for excessive cleaning. We ask that you dispose of all trash in the dumpsters before check out. Please report any maintenance issues to the Conference Office or the Front Desk.

Keys

You will be issued two types of keys. Your hard key(s) will grant you access to your actual room (and bedroom if staying in the apartments). Your exterior access swipe card will grant you access to the exterior of the building.

Access to Residence Halls

To enter your residence halls:

- Swipe your exterior access card in the card reader to unlock the exterior building door. Once the green light flashes, the door is unlocked.
- Please show your guest card to the Campus Host desk for identification purposes. Please be patient with requests to show your card or identification upon entering a residence hall since they are for your protection.

Room Lock-Outs and Lost Keys

If you find yourself locked out of your room, simply report your lock out to the Conference Host at the front desk in Garcia Hall. Desk is staffed 12:00 p.m.- 8:00 p.m. 7 days a week. If it is after those hours please call (575) 646-1701. You will be given a spare key and 10 minutes to go and retrieve the key left in the room. If you fail to return the spare, the room key is considered lost, and you will be charged a new key fee. If a Summer Guest Card is lost, please report it immediately by contacting the Conference Host at Garcia Hall. This will “freeze” your account and help keep our buildings secure. Parents/ guardians and conference leaders are not permitted to check out any keys other than their own.

For any on-campus emergency requiring police, fire, or medical response:

Emergency: DIAL 9-1-1

Non-emergency police services: (575) 646-3311

University Police and Security

University police are commissioned law enforcement officers. On duty 24 hours a day, they have full investigative and arrest authority on campus. Officers respond to all reported emergencies- crime, fire, medical, or other- and coordinate with Las Cruces fire and police departments. They regularly patrol campus grounds and buildings and maintain close contact with residence hall staff to ensure privacy and security. The NMSU Police Department is responsible for all criminal and traffic law enforcement on just over 180 square miles of land owned and/or controlled by the Board of Regents of NMSU, serving a daytime campus population of over 32,000 and a residential population of around 6,000. The service is provided free of charge to students and is available from sundown until 12:30 am. Sunday – Thursday.

Emergency Stations

Emergency stations are located in many areas throughout the campus. They are easily identified by blue lights and have an emergency telephone attached. As you park or walk around the campus, make note of where the emergency stations are located. Do not try to apprehend a suspicious person yourself; **let the police respond.**

Emergency Evacuation Procedure

Evacuation procedures are posted on the back of your residence hall room door. If you hear the fire alarms going off you must evacuate IMMEDIATELY.

If you discover a fire, pull the nearest fire alarm, leave the area, and call 9-1-1. Everyone should vacate the area and leave the building by the nearest accessible stairway. Do NOT use the elevators under any circumstances during a fire alarm.
